1. Introduction:

The remedial classes were conducted with the objective of supporting students who performed below average in the Minor Test assessments during the academic session 2024–25, and have less attendance in the concern classes. We are in the semester system so we have 1st, 3rd and 5th and 2nd, 4th and 6th semesters in session. Classes focused on enhancing conceptual clarity, improving answer-writing skills, and strengthening analytical abilities.
